

No Sweat Nature Study

Live Classes for Kids

2021 Schedule & Perks

Live Lessons

Two per month

Two 30-45 minute classes per month that include interactive, nature-based science lessons appropriate for children in 1st-8th grades.

Printable Packets

Preview, Review, or Extend the Lessons

Every live lesson includes an optional printable packet that gives a brief overview of the topic, a list of pertinent science vocabulary, at least one image of the topic for nature journaling, and a few fun and educational follow-up activities.

Plus

- 24/7 access to the complete library of previous No Sweat Nature Study Live Lessons
- 25% off all Our Journey Westward purchases for the duration of your membership

Members receive free access to a new product in the Our Journey Westward Shop each month, too!

2021 Monthly Class Topics

Live classes meet the 1st & 3rd Tuesday of each month at 2pm EST. All classes are recorded and placed in a video library for you to access at any time, so there's never a worry if you can't attend a live class.

December

Predators and Prey & Reindeer

Testimonials

"The nature studies we've done with Cindy have not only been very informative, but fun as well. I love how easy it is for my children to add to their nature journals!"

Angela, mom of 6

"We have enjoyed Cindy's classes for a while now and always learn something new. My two boys are loving the nature studies! They are excited to get outside to discover things after every class, too!"

Jen, mom of 2
