

NO SWEAT NATURE STUDY

LIVE CLASSES FOR KIDS

Live Lessons

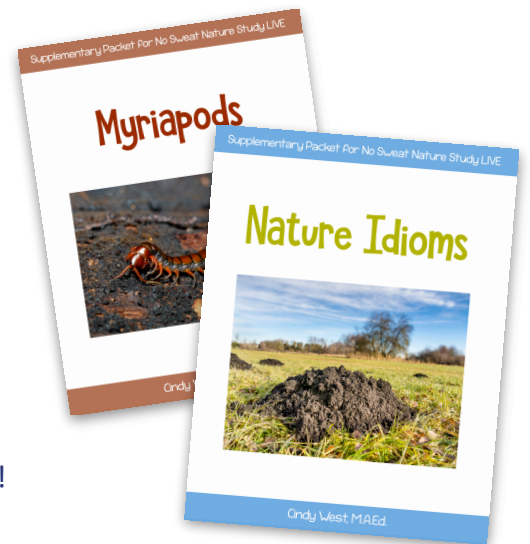

2 PER MONTH

Two 40-60 minute classes per month that include interactive, nature-based science lessons appropriate for children in 1st-8th grades.

Printable Packets

PREVIEW, REVIEW, OR EXTEND THE LESSONS

Every live lesson includes an optional printable packet that gives a brief overview of the topic, pertinent science vocabulary, specimen images, a list of living books, field guide suggestions, reference pages for the *Handbook of Nature Study*, kid-friendly project-based learning ideas, and a creative nature walk prompt!

Plus

- 24/7 access to the complete library of recorded No Sweat Nature Study LIVE Lessons
- A go-along podcast episode to introduce the topic prior to each lesson
- 25% off all Our Journey Westward purchases for the duration of your membership
- A free curriculum download from the Our Journey Westward Shop each month!

NoSweatNatureStudy.com

Live classes meet the 1st & 3rd Tuesday of each month at 2pm EST. All classes are recorded and placed in a video library for you to access at any time, so there's never a worry if you can't attend a live class.

Testimonials

We are having an awesome time in the nature study classes! What a wonderful job you do of incorporating such a wide range of knowledge for my children who range from 3 to 15! Shannon B.

Thank you again for the wonderful nature study classes. You are one of my top 3 best investments for our homeschool! Cameron L.

I'm a biologist and veterinarian and I absolutely love your classes! Dana C.
