

# NO SWEAT NATURE STUDY

## LIVE CLASSES FOR KIDS

### Live Lessons

2 PER MONTH

Two 40-60 minute classes per month that include interactive, nature-based science lessons appropriate for children in 1st-8th grades.

### Extra Resources

PREVIEW, REVIEW, OR EXTEND THE LESSONS

Every live lesson includes optional resources that build excitement and encourage even more in-depth learning. Review scientific vocabulary with printable word search puzzles, make extra connections through hands-on and research-based activities, nature walk prompts, podcast episodes, and tried and true booklists.

### Plus

- 24/7 access to the complete library of recorded No Sweat Nature Study LIVE Lessons.
- Scheduling ideas for parents.
- Planning resources to help make the most of the program.
- 25% off all Our Journey Westward purchases for the duration of your membership.

## Testimonials

*We are having an awesome time in the nature study classes! What a wonderful job you do of incorporating such a wide range of knowledge for my children who range from 3 to 15! Shannon B.*

*Thank you again for the wonderful nature study classes. You are one of my top 3 best investments for our homeschool! Cameron L.*

*I'm a biologist and veterinarian and I absolutely love your classes! Dana C.*
